PRINCIPAL’S MESSAGE
The Gundagai Public School community is shocked and saddened to learn of the devastating fire that destroyed the Bethune family home last Friday. Although the loss of all their possessions is incomprehensible to many of us, we are all deeply grateful that all family members, including their beloved dog escaped without injury. The SRC will organise a fundraising venture for the family next week.

A mammoth amount of sporting activities were held last week and students are to be congratulated on their sportsmanship, house spirit, exemplary behaviour and achievements. The Riverina Cross Country held in Gundagai was a huge success and our five representatives all ran hard with Jock Triggs putting in the strongest performance, finishing 12th in the Riverina. The Athletics Carnivals were also wonderful days and it was great to see so many parents and friends dropping in to encourage and support our students. The victorious house and age champions for 2015 will be announced at a special sports assembly tomorrow afternoon, commencing at 2:00pm. Ribbons will also be presented to all place getters at this time. Parents and friends are very welcome to attend.

I am looking forward to more of the sporting spirit this Friday when our Kindergarten, Year One and Year Two students hold their very own carnival. The Infants athletics program has been very successful this term and students are looking forward to demonstrating their athletic skills as well as participating in a number of fun novelty activities.

Last Thursday our Indigenous students and invited friends again travelled to Tumut, this time to take part in the Wiradjuri Echos Boori Corroboree. All students who attended really enjoyed the experience and Mrs Bull and Mrs Jamieson, who accompanied them, were very proud of the way everyone from Gundagai Public participated in the day. Well done everyone.

This week many parents have taken the opportunity to meet with their child’s teacher in the interview time slots provided. I applaud parents for continuing to be actively involved in their child’s education and can only emphasis how beneficial it is when parents and teachers hold honest and transparent discussion about student’s achievements and identified areas of improvement.

Religious education, otherwise known as scripture is provided in a one a week block each term. This week children attend one hour religious education instruction by an approved provider, under the supervision of a Gundagai Public School staff member. This term we welcome back the Wong family as religious instruction will be provided by the Baptist Church.

Last Wednesday we welcomed Chris Nicholls to our school. Chris is in Year 6. We look forward to making Chris part of the Gundagai Public School learning community.

Year 4 students enjoyed their free time session as part of the last Positive Behaviour for Learning reward. All students are now working hard to reach the next Step of Success – a movie at school.

THE SIMPLEST WAY
...to add healthy snacks to lunch boxes

Kids have little tummies and need small amounts of food often. Try these simple + healthy snack ideas in your child’s lunch box:

- Plain air-popped popcorn (without salt or butter) mixed with sultanas + dried apple
- Dried fruit snack packs: buy them ready made, or make your own at home in reusable containers
- Fruit salads: buy small tubs of diced fruit in natural juice, or cut up small pieces of fruit + make your own!
- Crackers + veg: Slice up some avocado or tomato + send with some rice crackers
- Little vegie bags: cherry tomatoes, capsicum, carrot and celery sticks
- Frozen fruit bags: freeze grapes, orange quarters or strawberries & then send to school!

Remember: kids love small portions, so cutting up fruit + veg will help make sure they don’t bring it home at the end of the day!
