PRINCIPAL’S MESSAGE
This week all at Gundagai Public are looking forward to our end of term disco which will be held on Wednesday evening. This is a culmination to our Footsteps dance program that has run successfully each Wednesday this term. The students really enjoy this program and we are very appreciative to parents for enthusiastically supporting it.

Tomorrow our Infants students are looking forward to their special Athletics Carnival. This marks the end of their very successful athletics program that has run for sport throughout Term 2 and all students are excited about showing their athletic ability to their parents and friends.

Last Tuesday at our special sports assembly Rafter were announced as the Athletics Champions for 2015 and house captains Sophie Lotz and Kaidan Bell proudly accepted the trophy on behalf of their team. Congratulations to all members of Rafter and to our individual age champions who were also announced at this assembly.

Special congratulations to our age champions:

This Friday marks the end of a very busy and productive term in which staff have worked extremely hard implementing new educational reforms and many exciting programs that have been identified in our Strategic Directions which are driving the school plan for the next 3 years. Looking back, I am so proud of everyone involved at Gundagai Public School and wish to extend my heartfelt thanks to the staff, students, P&C, parent body and community members who have been so supportive. Together we have achieved great things and had a fantastic time. It has also been wonderful to see so many parents doing so many things to continue being involved in their child’s education specifically and the school community generally. Please remember that Gundagai Public School is your school and your opinions and ideas are valued.

Thank you everyone at Gundagai Public for supporting our fundraising efforts this week by coming out of uniform, supplying cakes and slices, buying goodies at recess or having a guess in the jellybean competition. We are all pleased to be able to help the Bethune family in some small way.

TERM 3 ~ School resumes on Tuesday 14th July for all students
OPEN RUGBY LEAGUE STATE CARNIVAL

Jack Lloyd and Kaidan Bell have returned to school after playing with the Riverina Open Rugby League team at the state championships in Sydney. Both boys relished the experience and displayed a high level of skill and a competitive spirit throughout their 7 games. This year Riverina finished in 7th place overall. This is an amazing achievement and the boys can be very proud of the contribution they made to such a successful carnival.

INFANTS ATHLETES

The Infants Athletics Carnival is being held TOMORROW at 10.45 am. There will be age races, field and novelty events. A special canteen will operate with the sale of drinks, tea, coffee, cakes and slices over the day. We are looking forward to a great day. Hope to see you there.

NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY

Our school is participating in the collection of nationally consistent data on school students with disability. We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability. The data collection will have no direct impact on your child and they will not be involved in any testing process. Further information about this initiative is attached to this week’s newsletter.

STAGE 3 MELBOURNE EXCURSION

Please remember the $60 deposit to indicate your child will be attending the Melbourne Excursion from Monday 14th September to Thursday 17th September was due today.

Unfortunately it appears this excursion may not go ahead because at present only half the students in Years 5 and 6 have indicated they will be attending.

Motel bookings and entries into the various attractions must be made by the end of this week, before the holidays.

Therefore if your child intends participating in this very informative and fulfilled adventure they must indicate with an expression of interest note and $60 deposit by Wednesday.

A final decision about this excursion will be made on Thursday.

MT SELWYN……..SAVE THE DATE

Students in Years 3 to 6 have the opportunity to participate in an excursion to Mount Selwyn Snowfields on Wednesday 12th August. A detailed information note will be sent out in Week 2 next term.

All permission notes and payments must be returned to school by Monday 27th July as equipment has to be booked on this day. The cost of the excursion will be approximately $120 and an exact amount will be detailed in the Term 3 note.

Please be aware that there are opportunities for parents to attend this excursion if they are willing to assist on the day.

MAKE ONLINE PAYMENTS
From the beginning of Term 3 it will be possible for parents to make online payments to the school for any student payments, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. We believe this system of payment will be much more convenient for many of our families. Detailed information on how this will work can be found in our first newsletter next term.

The simplest way...
...to make a healthy breakfast.

We recommend eating two serves of fruit and five serves of vegetable every day.

Why? Because fruit and veg are packed full of nutrients and vitamins that give you energy, keep you healthy and help prevent diseases like cancer.

Try to get your family eating fruit and veg with breakfast – it will help all of you have more energy throughout the day.

You might like:
- wholegrain toast with avocado and tomato
- sliced banana on Weetbix
- frozen berries blended with reduced-fat milk and yoghurt for a smoothie
- eggs served with cooked veggies – tomato, mushrooms and spinach.

Remember: try to eat fruit + veg at every meal!
