PRINCIPAL’S REPORT

Last week the Regional Director of Education, Mr Colin Parker, visited our school and was most impressed with our school. The newly formed choir performed for Mr Parker followed by a visit to K/1F and 5/6F. Mr Parker commented on the inviting presentation of our school and how well we are resourced in terms of classrooms, technology and our new school hall. He also remarked about the reputation Gundagai Public School has in offering a well balanced education and the quality of education occurring in our classrooms.

Last week, Ricky Wheeler, Clare Tout, Jake Elphick, Matthew Bell, Josie McInerney and Samantha Gradon from Year 5 and 6 came back buzzing after attending a gifted and talented workshop in Mathematics and Science at Gundagai High School. Mrs French accompanied the students who took part in a variety of challenging problem solving activities. The workshop will be followed up with ongoing homework tasks and their results being shared online.

I would like to welcome Casey McGuire from Charles Sturt University, who will be completing her Internship with K/1F. Casey will be with us for the remainder of this term and the first five weeks of Term 4. During this time she will gradually take full control of the class which is a course requirement of her final year’s training. Next term, Mrs Fiddes will be released to work on the Positive Behaviour for Learning Program that is being implemented across the school in 2012.

A reminder to listen to Sounds of the Mountains each Tuesday morning at 9.35 am for a complete round up of school activities presented by two of our students from Years 5 and 6. This week Matthew Peterson and Britney Wilson will be our presenters. Also, school information and a copy of the weekly newsletter can be found on our website at www.gundagai-p.schools.nsw.edu.au.
